

FACT SHEET

A NEW BRIDGE REHABILITATION PROJECT WILL BEGIN IN YOUR AREA

State Road (SR) 90/US 41/Brickell Avenue Bridge
over the Miami River

FIN# 436527-1-52-01

OVERVIEW

The Florida Department of Transportation (FDOT) will begin a bridge rehabilitation project during February 2020 along the SR 90/US 41/Brickell Avenue Bridge in the City of Miami.

WORK TO BE PERFORMED

- Adding pedestrian gates
- Repairing mechanical and electrical bridge components
- Painting the bridge
- Replacing lighting at the Tequesta family sculpture, bridge barrier and Riverwalk

ESTIMATED CONSTRUCTION COST

\$4 million

PROJECT SCHEDULE

February 2020 - Early 2021

AFFECTED MUNICIPALITIES

City of Miami

LANE CLOSURE AND DETOUR INFORMATION

Temporary lane closures can occur during non-peak hours on non-event nights on Sunday through Thursday from:

- 10 p.m. to 5:30 a.m. — southbound
- 7 p.m. to 5:30 a.m. — northbound (1 lane closure)
- 10 p.m. to 5:30 a.m. — northbound (2 lane closures)

It will be necessary to temporarily detour vehicular traffic at times. Pedestrian access will be maintained on one side of the roadway at all times.

HELPFUL TIPS

- Allow extra time to reach your destination
- Obey all posted signs and speed limits

ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. The Department takes steps to reduce construction effects, but you might experience the following around the work site:

- Increased dust and noise
- Workers and equipment moving around the area
- Travel lane closures and detour

Please note that this schedule could change due to bad weather or other unexpected conditions.
